

As a Euronics Agent covering the South Wales area we can fulfil the Discretionary assistance Fund Grants with products from stock and with quick delivery.

What do you need to do?

- 1) Check the Grant letter you have has not expired (this is 3 months from the issue date on the letter)
- 2) Ensure the Name and Address on the letter is correct as we can only deliver to that address.
- 3) Bring some proof of I.D (utility bill, tenancy agreement etc), this needs to match the details on the letter.
- 4) Visit our store with all the copies of your Grant Letter (you will not receive a Euronics Card)
- 5) Choose products from our range to the value of your Grant amount (you can upgrade to higher value items if you wish to add your own funds to the grant amount)
- 6) Arrange a convenient delivery and installation date.

Discretionary Assistance Fund for Wales

The Discretionary Assistance Fund offers payments, or in kind support, to people needing urgent assistance and where there is an identified need to safeguard health and wellbeing.

Payments will be made available to people who have no other means of meeting the immediate cost of living. They are not intended to meet the cost of on-going expenses.

Within the scheme there are two types of non-repayable grant support:

- Emergency Assistance Payments - assistance in an emergency or when there is an immediate threat to health or wellbeing. Anyone over the age of 16 can be considered eligible for these payments if they need help to meet expenses due to an emergency or because of a disaster.
- Individual Assistance Payments - to meet an urgent identified need that enables or supports vulnerable people to establish themselves or remain living independently in the community. (To be eligible applicants must be: entitled to and be in receipt of income related welfare benefits; or if they are due to leave an institution or care home within 6 weeks, that they are likely to be entitled to receive income related welfare benefits on leaving).

If you have yet to apply for a grant then you can [click here](#) to get started.
